# Letter From The President

Dear Fellow members,

The year is winding down and we have managed to pack many activities into it as usual. This month we will be voting on the new officers. We have all positions filled except 2. We are looking for a Membership Vice-President and a Secretary. If you are interested, please let me know.

This is the time to think about the LPM positions that you may be interested in for the coming year. This is the year when all the changes we have been going through the last 2 years with the streamlining of programs. The Program Areas are: Community Connections, Jacob Wetterling (last year), Women's Wellness, Youth of Today, Living and Learning, Newslet, Public Relations, Records and Recognition, and Ways and Means. We will provide additional information about what each position entails when it becomes available.

News from the state staff is that we will be changing districts again. The redistricting was voted on and passed at the last convention and starting in May, we will again be in District 7 with St. Cloud, Foley, Becker and others.

The following months we have several chances for members to participate in events.

# PAMPER ME!!!

This is a new project Janet Boelz and I are co-chairing. It is a project designed to get new members. Janet and I will need all of your help to do this project. The idea is to use our many talents and pamper ladies from every corner of Sauk Rapids, Sartell, St Cloud, Waite Park, etc.

It is a day for us to cater to others, like scrapbooking, or facial's or pedicures, or manicures, or whatever talent you have. We are looking into a massage person that is going to school currently and does hot rocks as part of the massage. If anybody has any talent's they are willing to share with us on May 10th, please let Janet Boelz or myself know.

The date is: Saturday May 10, 2008  
The place is: The Sauk Rapids City Hall  
The time is: 9:00 - Noon

Thank you
