2008 ~ 2009
Buckets of Sunshine
Minnesota Women of Today
Statewide Project

MNJOTS CIP

The Pajama Program is a non-profit organization that delivers **new** sleepwear and **new** nurturing books to children in need throughout the state of Minnesota. Serving children and teens in over 65 domestic abuse and homeless shelters, the Minnesota Chapter has set a goal of collecting and distributing 25,000 new pajamas in 2008.

As the Buckets of Sunshine Project for the Minnesota Women of Today for the 2008-2009 year, we want to assist the Pajama Program in reaching the 2008 goal and give this organization a head-start in achieving its goal in 2009. We will be having two state-wide collection celebrations—one at Fall State Convention in St. Cloud and the second at Winter State Convention in Minneapolis!

It's time to put on your 'night caps' ladies! Get your chapter members and communities involved in this very worthwhile endeavor!

Read on for some ideas to get you started. Also included in this CIP is information from MN Chapter Pajama Program President, Nancy Hagan.

What Can Your Chapter Do?

- **Hold a Pajama Party M-Nite!** *Burnsville did it! We collected pajamas from members and guests, ate lots of healthy foods, watched movies, and had a sleepover!*
- **Jumpin' for Jammies!** *Host the blow-up jumping machine for a couple of hours at a community event (4th of July!); make signs advertising that all money raised will go to purchase Jammies for Kids!*
- **Sponsor a Pajama Pot-Luck** in your chapter, neighborhood, or at work! *In addition to bringing a dish to share, ask members, neighbors or co-workers to bring a pair of **new** pajamas too.*
- **Pass the Pajama Pot** at every chapter meeting; collect spare change to keep a child warm, to let someone know that you care!

****Please note: Right now, the greatest need is for pajamas! Currently, there are more books than can be stored!**
